

Standing Ovation Program

LOL District

What is the Standing Ovation Program?

- It is a non-publicized evaluation between the chapter and a trained Standing Ovation Reviewer.
- It is an evaluation of a performance for both choruses and quartets.
- It will recognize strengths in the performance.
- It will provide suggestions and recommendations to enhance the next performance.
- It will address not only the music side of the performance, but it will examine the venue and the technical aspects of the show.
- It is most productive when it is used for an evaluation of an annual show.

Why Should We Participate?

- When we perform, we are in show business and we must entertain to stay alive!
- Good performances attract new singers, sell tickets and help keep our members active and excited.
- The evaluation is conducted through the eyes of a general audience and not a contest judge.
- The review should be a positive experience for the chorus and quartets.

How Can We Get Started?

Contact Dave Sylte at (507) 433-0004 or sylte0004@msn.com to arrange an evaluation or if you have questions about the Standing Ovation Program.
